# **ASSOCIATIONS@WORK TOOLKIT**

SEPTEMBER | OCTOBER 2018

## **ASSOCIATIONS@WORK TOOLKIT**

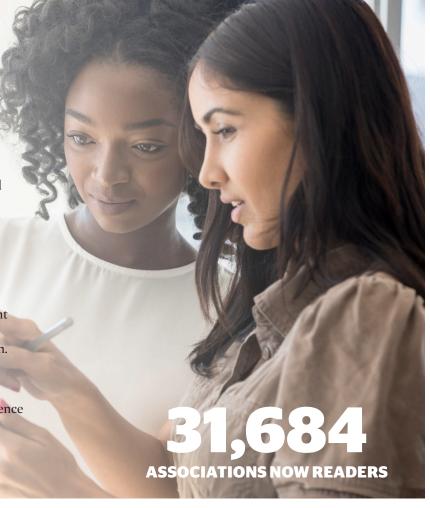

This pull-out, digest-sized supplement showcases your expertise and positions your company as an industry leader. This supplement will be published within the September/October 2018 issue of *Associations Now*. It includes no advertising; overworked product mentions will be eliminated during the editing process ensuring the content provides extreme value to association executives and their staff involved in business operations solutions. Plus, the Toolkit will also be posted on the ASAE website in its entirety, extending your marketing reach to both members and non-members!

#### **CONTENT MARKETING:**

You're the expert. Be a resource for associations! Recent Forrester research found that relevant content is more important than ever. Anticipating customer needs and providing solutions will win their attention.
